PREFACE

IN certain cases the Marriage Licence Act Books for the period covered by this volume only give the names (and sometimes only the surnames) of the recipients of the licences. Owing to difficulties arising out of the war it has not been possible to amplify such bare entries by reference to the bundles of Marriage Licence Bonds. It is desirable to draw the attention of members to the fact that such reference will no doubt be again possible in the near future upon application to the Diocesan Registrar and payment of the customary fees.

For the convenience of readers the details are here repeated of the Marriage Licence Act Books and Bonds now remaining in the Diocesan Registry at Chester.

Dates of the Volumes of Marriage Licence Act Books now remaining in the Diocesan Registry at Chester.

- Vol. I. July 18, 1606, to March 22, 1615[-6]. (Vol. 53, Rec. Soc. L. and C.)
- „ II. April 11, 1616, to May 17, 1624. (Vol. 56, Rec. Soc. L. and C.)
- „ III. May 18, 1624, to March 24, 1631[-2]. (Vol. 57, Rec. Soc. L. and C.)
- Hiatus March 25, 1632, to March 30, 1639.*
- „ IV.¹ March 30, 1639, to October 21, 1644. (Vol. 61, Rec. Soc. L. and C.)
- Hiatus October 21, 1644, to June 22, 1661.*
- „ V. June 22, 1661, to February 8, 1666[-7]. (Vol. 65, Rec. Soc. L. and C.)

¹ The entries at the end of this volume following the entry of licence (John Baxter and Dorothy Brooke) on the 27th June 1642, and extending to 21st October 1644, appear to have been irregularly entered, and probably do not include all the licences issued for this period.

Vol. VI. February 9, 1666[-7], to March 24, 1679[-80]. (Vol. 69, Rec. Soc. L. and C.)

„ VII. April 6, 1680, to December 27, 1694. (April 6, 1680-March 31, 1691, Vol. 73, Rec. Soc. L. and C.)

Hiatus December 28, 1694, to March 24, 1694[-5].

„ VIII. March 25, 1695, to August 31, 1700.

Hiatus August 31, 1700, to 1719.

From this date it became the custom to enter up the licences in the Act Books as and when the affidavits were returned into the Registry by the Surrogates. The dates therefore overlap a good deal; this is especially the case between the dates 1733 and 1772.

Vol. IX.	1719 to 1726
„ X.	1726 „ 1732
„ XI.	1733 „ 1772
„ XII.	1733 „ 1745
„ XIII.	1754 „ 1757
„ XIV.	1745 „ 1762
„ XV.	1788 „ 1796

Hiatus 1796 to 1838.

From January 1, 1838, to the present day the Act Books are complete.

The original Marriage Licence Bonds begin in 1661 and are filed in bundles for each year.

The documents at Chester only relate to licences affecting residents within the ancient Archdeaconry of Chester, *i.e.* all Cheshire, Lancashire south of the Ribble, and the Welsh parishes of Bangor Deanery. The licences for the Archdeaconry of Richmond are at Lancaster.

RECORD SOCIETY OF LANCASHIRE AND CHESHIRE

REPORT FOR THE YEAR 1915-16 (38TH YEAR)

Read at the Annual Meeting held in the Audit Room of the Chetham Hospital, Manchester, on the 12th day of December 1916.

DURING the year ending 30th June 1916 one volume (vol. 70.) has been issued to the Members ; it is entitled ' Lancashire Inquests, Extents, and Feudal Aids. Part III. A.D. 1313-A.D. 1355,' and is edited by William Farrer, Hon. D.Litt. As in the cases of the previous volumes which have been edited by Dr. Farrer, the transcript and index of the present one are gifts by him to the Society, and this volume contains historical matter of equal interest and value with the former ones.

Owing to the death of Canon Stanning and the illness of Mr. Pink, who were editing the ' Royalist Composition Papers,' there has been a long delay in the issue of the fifth volume of this work. A portion of the volume has been in type for some years, and it was decided at the last meeting of the Society to proceed with the editing of it as speedily as possible. The Council not being successful in finding an editor to perform the work voluntarily, Mr. Brownbill undertook it as a professional matter ; and, since the rules of the Society forbid any payment to be made for editing, a fund was raised by donations from some members of the Council to provide for the cost of the editorial work. This fund has been placed to a separate account. The whole of the volume is in type, with the exception of the index, and it will be issued to the Members as the second volume for the year 1916-17.

Mr. Brownbill has completed the editing of the ' Lancaster Marriage Licence Bonds, 1648-1710,' from the original bonds which remain at Lancaster, and this work is now ready for the press. Many of these bonds have suffered from damp and are in a bad condition ; the Society is indebted to Mr. Brownbill for his careful performance of a tedious task, by means of which particulars of these records have been preserved.

Mr. Irvine has in hand a volume of the ' Marriage Licences for Cheshire, South Lancashire, &c.,' covering the period from 1680 to 1686. This is the seventh volume of this series of Marriage Licences that Mr. Irvine has edited for the Society, and

the Council desire to express their appreciation of his help at a time when there are other and more important claims on him. This volume is practically complete and ready for the press.

Mr. Stewart-Brown continues his military service, and the duties of the Honorary Secretary have been carried on by the President.

The Council record with regret the deaths of the Rev. John Sephton, Mr. George Massey, General Pemberton, Mr. Isaac Marshall, and Mr. G. E. C. Clayton.

The Society is still suffering from the effects of the War; we have not had a single new name to add to the list of members during the year ending 30th June 1916, and in the same period there have been ten deaths and resignations; the number of paying members, including public libraries, then stood at 128.

The Honorary Treasurer's accounts show a balance in hand on 30th June 1916 of £102, 9s. 5d.

REPORT FOR THE YEAR 1916-17 (39TH YEAR)

Read at the Annual Meeting held at the Chetham Hospital, Manchester, on the 14th day of November 1917.

DURING the year ending 30th June 1917 two volumes (vols. 71 and 72) have been issued to the Members. These are (1), 'Lancashire and Cheshire Cases in the Court of Star Chamber,' edited by Ronald Stewart-Brown, M.A., F.S.A., and (2), 'The Royalist Composition Papers, A.D. 1643-1660, so far as they relate to the County of Lancaster. Vol. V. P to R,' edited by John Brownbill, M.A.

Captain Stewart-Brown has completed his work under difficulties in the midst of military duties, and the thanks of the Members are due to him for his loyal service to the Society under very untoward circumstances. This volume contains references to many curious incidents that will attract most readers, even those who are not especially interested in archæology or history.

Mr. Brownbill has added to his volume an Appendix containing a comparison of the Society's volumes of the Royalist Composition Papers with the Record Office Calendar, which gives many additional references. In the concluding volume of this series the results of this comparison will be stated in the body of the work.

Among the prospective publications, in addition to (1) the final volume of the Royalist Composition Papers, we have (2) the 'Lancaster Marriage Licence Bonds, 1648 to 1710,' to be edited by Mr. Brownbill; (3) the 'Marriage Licences for Cheshire, South Lancashire, &c., 1680 to 1686,' to be edited by

Mr. Irvine ; (4) another volume of the same, to be edited by Mr. Irvine ; and (5) 'Abstracts of the Storrs Hall Deeds,' to be edited by Colonel Chippindall. Dr. Farrer will also place at the disposal of the Council materials for other volumes, selected from his collections of Lancashire Manuscripts.

Captain Stewart-Brown continues his military service, and the duties of the Honorary Secretary have been carried on by the President.

The Council record with regret the deaths of Mr. Henry Rigg and Mr. H. H. Smith-Carington.

The Society still suffers from the effects of the War ; this year, however, it is satisfactory to report the accession of two new members. The deaths and resignations in the same period have amounted to six, and the number of paying members now stands at 126.

The Honorary Treasurer's accounts show a balance in hand on the 30th June 1917 of £153, 8s. 5d.

REPORT FOR THE YEAR 1917-18 (40TH YEAR)

*Read at the Annual Meeting held at the Athenæum Library,
Church Street, Liverpool, on the 29th November 1918.*

DURING the year ending 30th June 1918 no volume has been issued to the Members, but the printing has been completed of a further volume of Marriage Licences for Cheshire, South Lancashire, &c., 1680-1690, edited by W. Fergusson Irvine, M.A., F.S.A. This will be the seventh of this series of Marriage Licences edited by Mr. Irvine, and will form Volume 73 of the Society's publications.

At the Annual Meeting, held on the 14th of November 1917, it was decided that it should be left to the discretion of the President whether one or two volumes should be issued for the year 1917-18, and under the present circumstances, owing to the expense of printing and binding, the President considers that only one volume should be issued for the past year, viz. the volume of Marriage Licences mentioned above, which it is hoped will be issued to the Members in a few weeks.

Future volumes will be (1) the Marriage Licence Bonds at Lancaster, and (2) the final volume of Lancashire Royalist Composition Papers. Other works suggested include the Cheshire Protestation of 1642, a volume of Lancashire documents offered by Dr. Farrer, the Storrs Hall and Blundell of Crosby evidences, and a further volume of Star Chamber Cases.

Considerable interest has been taken in Vol. 71 (Lancashire and Cheshire Star Chamber Proceedings) in the United States of America, where nearly twenty libraries or institutions are

members. The Society has benefited by the sale of fifteen copies to booksellers in New York.

Mr. William Farrer, D.Litt., and Mr. W. F. Irvine, M.A., F.S.A., have been elected Vice-Presidents of the Society.

Capt. Stewart-Brown has been demobilised from military service, and has again taken up the duties of Hon. Secretary, which had been carried on, during his three years of absence, by the President. The Council feel that the Members are greatly indebted to the President and to the Hon. Treasurer for enabling the work of the Society to be continued throughout the War.

The Council regret to record the death on 8th November 1918 of Sir George J. Armytage, Bt., D.L., F.S.A., who joined the Council in 1898, was a Vice-President from 1902, and President 1905-1909. He was joint editor with Mr. J. Paul Rylands of the *Visitation of Cheshire*, 1613 (vol. 58).

During the year there have been no deaths or resignations of members, and no new members. The number of paying members still stands at 126.

The Society has now completed forty years of work, and has issued seventy-two volumes of Lancashire and Cheshire records, in spite of very inadequate support. It is discreditable that there are only fifty private subscribers (other than libraries, &c.) in the two counties upon the list of Members. Unless much better supported, the Society must be forced shortly to reduce its publications permanently to one volume a year, or even less. The Council therefore appeal strongly to members to make known the value and importance of the Society's work, and to do all they can to obtain that additional support, without which transcripts of the many important unpublished Lancashire and Cheshire records cannot be obtained or printed. The Council hope, now that the War is over, that a renewed interest may be taken in the local history and family records of the two counties.

The Hon. Treasurer's Accounts show a balance in hand, on the 30th June 1918, of £285, 6s. 10d., against which must be charged the cost of Volume 73 now in print, but not issued.

A few sets of the Society's Publications are still on hand. Members can obtain the price of sets or of single volumes by applying to the Honorary Secretary.

The following is a complete list of the Society's Publications printed up to the present time:—
